

Madrid, September 2, 2021

MAKING SCIENCE GROUP, SA (the "Company" or "Making Science") by virtue of the provisions of article 17 of Regulation (EU) No. 596/2014 on market abuse and article 228 of the revised text of the Securities Market Law, approved by Royal Legislative Decree 4/2015, of October 23, and related provisions, as well as Circular 3/2020 of the BME Growth segment of BME MTF Equity, informs:

OTHER RELEVANT INFORMATION

Making Science Group, SA has acquired 51% of the shares of the company Agua3 Growth Engines, owner of the "AdTech" technology platform Ad-Machina (<https://www.ad-machina.com>). With this acquisition, Making Science adds to its product portfolio a search engine optimization platform based on the generation of natural language for the creation of advanced SEM (Search Engine Marketing) campaigns. Within the agreement, Making Science reserves a purchase option on the remaining 49% of the capital.

Agua3 Growth Engines, based in Palma de Mallorca, has experienced outstanding growth throughout its three-year history. In 2021, it is estimated to have a sales volume of 0.5 million euros. In addition, it has a solid portfolio of clients and an expert human team, specialized in performance marketing technologies.

The operation is part of the growth strategy that Making Science is developing and that includes both international and national transactions.

We remain at your disposal for any further clarification.

Yours sincerely,

CEO of Making Science Group, SA
José Antonio Martínez Aguilar
