

Madrid, October 25, 2021

MAKING SCIENCE GROUP, SA (the "Company", the "Company", the "Group", or "Making Science") by virtue of the provisions of Article 17 of Regulation (EU) No. 596 / 2014 on market abuse and in article 228 of the revised text of the Securities Market Law, approved by Royal Legislative Decree 4/2015, of October 23, and related provisions, as well as in Circular 3/2020 of the BME Growth segment of BME MTF Equity, hereby discloses the following:

### **OTHER RELEVANT INFORMATION**

Making Science becomes part of the global network of Local Planet media agencies with the acquisition of 7% of the global holding company. By this acquisition, the company becomes the preferred partner for digital business and data analytics at a global level, having access to a network of 56 agencies in 68 markets and business opportunities for multinational clients. Local Planet manages US \$ 17.1 billion in ad spend around the world, with hundreds of local and global clients. These customers have growing digitization needs which provides Making Science a great opportunity to commercialize its advanced digital technology and services.

In compliance with the provisions of Circular 3/2020 of the BME Growth segment of BME MTF Equity, it is expressly stated that the information communicated hereby has been prepared under the exclusive responsibility of the Company and its administrators.

We remain at your disposal for any further clarification.

Yours sincerely,  
CEO of Making Science Group, SA  
José Antonio Martínez Aguilar
